

Make your cart run like new again and get back on the green.

Seasonal maintenance to keep you on the green.

When your golf cart breaks down, or just needs routine maintenance, or upgrades, give MRK-Motorsports a call. We can upgrade your “stock” cart with 3rd row seating, larger wheels and tires, body kits, suspension upgrades, lights, music, anything you can think of! We repair equipment for all major golf cart brands (E-Z-GO, Cushman, Bad Boy Buggy, Yamaha, Club Car, Columbia). We service gasoline and electric carts and have parts in stock to get your golf cart fixed as fast as possible.

Free Pick-up and delivery is available for Walden and Barrington Residents. On site repair is also available.*

MRK-Motorsports is dedicated to offer top quality work with competitive prices and first class service. Call **330-954-8140** or visit us online at **www.mrk-motorsports.com** for pricing.

*Service call charges apply for all on site services.
